

Dear Customers and Employees,

We share our customers' and employees' concern during these challenging times. To our cherished team members, thank you for your service, past and present. To our customers, thank you, we are here for you in whatever capacity you need us.

- Out of an abundance of caution, our sales staff and collectors will not visit our customers.
- We have restricted visitors from our office.
- We have asked our drivers and helpers to take social distancing precautionary measures.
- Your service will continue, as scheduled unless you contact us to change it.

- If we have to alter your service, we will let you know as soon as we do.

We are in this together; Mr. T Carting's staff will continue to work together like we have for the past 73 years to provide vital waste and recycling services to you and your community. We appreciate your flexibility and support during this difficult time.

Very truly yours,
